CROXSONS

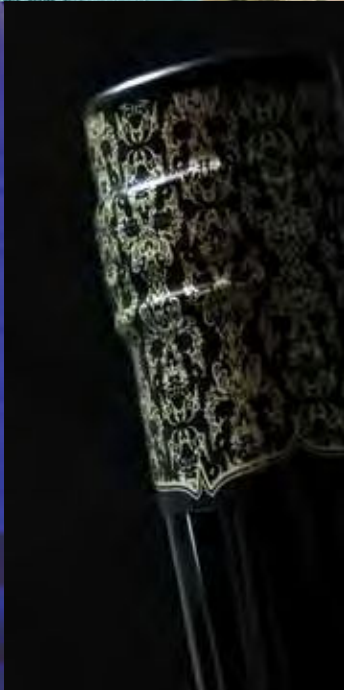

William Crossen

A FAMILY OF PACKAGING

SPIRITS

COLLECTION

INTRODUCTION

At Croxsons, we pride ourselves on our spirit bottle range; one of the largest in the industry. Trusted by some of the world's leading brands, we supply complex packaging across the Globe.

We also work with exciting glass and closure manufacturers who help us bring new technology to the fore. Designing bespoke options with low mould costs and offering an extensive range of interesting closures will ensure a perfect match to our clients' brands. We're able to bring fresh ideas to market quicker than most. The benefits are there to be passed on to our customers.

BRIGHTON GIN

DISTILLED-BESIDE-THE-SEASIDE

PAVILION
STRENGTH

MADE IN BRIGHTON
BY GIN LOVERS
FOR FREE THINKERS
AND GOOD TIME
GIRLS AND BOYS
EVERYWHERE

HANDCRAFTED

700ML
40% ALC BY VOL

Brighton is the Pavilion, the Pier and the Duke of York's. It's the Prince Regent, Laurence Olivier and Max Miller. It's Phoebe Hessel, Mrs Fitzherbert and Martha Gunn. It's Brighton & Hove (actually), Mods & Rockers and the Seagulls. It's the Veteran Car Run, the London to Brighton and Brighton Races. It's the Downs, the sea and Brighton Rock. It's...

PREMIUM SPIRITS

ARIANE 1

50/100/200/350/375/500/700/750/
1000/1500/1750/3000/4500ml

TECHNICAL SPECIFICATION

Height:	329.5mm
Diameter:	74.5mm
Weight:	800g
Closure:	Cork Mouth

A constant in the luxury bottle industry due to its proportional elegance, heavy base and slender neck, the Ariane line is full of aesthetic qualities. But it's not just proven for style, it's also highly functional, coming in a variety of capacities and available with a stopper cork finish.

DECANTER ATHENA

700/750ml

TECHNICAL SPECIFICATION

Height:	195mm
Diameter:	121.7mm
Weight:	750g
Closure:	Cork Mouth

Named after the Greek goddess of wisdom, patron of the arts and protector of the sciences and industry, this rectangular decanter is aptly titled. Athena catches light through its side panels and heavy glass base. It's a wise and considered choice for your spirit.

ATLANTA

700/750/1500ml

TECHNICAL SPECIFICATION

Height: 313.6mm

Diameter: 75.6mm

Weight: 800g

Closure: Cork Mouth/ GPI

This tall, slender design stands heads and shoulders above others. With its straight lines and defined shoulders, it will create shelf standout for any brand.

ATTITUDE HAUTE

700/750ml

TECHNICAL SPECIFICATION

Height: 284.3mm

Diameter: 119.8mm

Weight: 965g

Closure: Cork Mouth/ GPI

The innovative and sleek design of the Attitude line combines a slender body and an oval section with a subtle and understated charm. The bottle's two luminescent flanges capture light and the result is truly breathtaking.

CALLISTO

700/750ml

TECHNICAL SPECIFICATION

Height:	180.5mm
Diameter:	147.9mm
Weight:	1000g
Closure:	Cork Mouth/ GPI

The skilful balance of its design gives this Callisto decanter a modern image and strong character. The thick base in the shape of a suspended bridge transfers the purity and distinctiveness of the model. Its original style is perfectly in-line with the creative trends for super premium spirits.

DECANTER CEREMONY BASSE

700/750ml

TECHNICAL SPECIFICATION

Height:	230mm
Diameter:	107.5mm
Weight:	780g
Closure:	Cork Mouth/ GPI

The Ceremony bottle's generous, curved silhouette provokes tactile desire. This timeless design blends simple lines and elegant proportions to great effect. The thick glass base lifts the relevance of the shape; the wide facings provide ample room for expression and personalisation.

COLOGNE

50/ 500/ 700/ 750/ 1000/ 1500/
1750/ 3000ml

TECHNICAL SPECIFICATION

Height: 283mm

Diameter: 72.4mm

Weight: 635g

Closure: GPI

Cologne delivers a classic style, reminiscent of apothecary bottles, yet still wrapped up in modern lines. It has a comfortable hold in the hand, ideal for use in the on-trade.

DIABOLO

50/700/750ml

TECHNICAL SPECIFICATION

Height:	230mm
Diameter:	90.1mm
Weight:	750g
Closure:	Cork Mouth/ GPI

Fun by nature, Diabolo is an innovative bottle at the service of fashionable spirits. The compact and generous shape, the slightly curved body, and the simplicity of its rounded harmonious lines contribute to the softness and the originality of the model. In France “Diabolo” is a drink made using lemon soda and flavour syrup i.e. mint.

DIAMOND

700/750ml

TECHNICAL SPECIFICATION

Height:	260mm
Diameter:	74.9mm
Weight:	821g
Closure:	Cork Mouth/ GPI

With carefully balanced proportions and a lustrous base, the Diamond bottle is an exceptional selection. The square shape of the bottle is aesthetically softened by the curved lines at the shoulder, just ever-so gently tapered for the perfect grip.

DIAMONDO

700/750ml

TECHNICAL SPECIFICATION

Height: 320mm

Diameter: 77.3mm

Weight: 700g

Closure: Cork Mouth/ GPI

Shine with Diamondo bottle and its square section, tapered body and rounded panels. Let the content of your product shine with the play of the angles and the thick base. Let the white flint glass shine like a precious stone!

DISTINCTION

500/700/750ml

TECHNICAL SPECIFICATION

Height:	312mm
Diameter:	74.2mm
Weight:	780g
Closure:	Cork Mouth

Distinction applies exactly that to any liquid within. Yet this model does it with simplicity, just by delivering clean and elegant lines.

EGG

700/750ml

TECHNICAL SPECIFICATION

Height:	242mm
Diameter:	95.9mm
Weight:	900g
Closure:	Cork Mouth

Once seen and held, the Egg is never forgotten. Named after its shape which symbolises new-life, any brand wanting to exploit the curves and substantial base, simply has to deliver good-looking liquid for this package to work.

DECANTER ELLIPTIC

700/750ml

TECHNICAL SPECIFICATION

Height:	192mm
Diameter:	129mm
Weight:	750g
Closure:	Cork Mouth

With a straight neck, subtle protruding shoulder and a substantial front face, this carafe has strong personality and perfect visual balance. Relatively light in weight, the Elliptic combines style, convenience and competitiveness – ideal for an extra premium spirit, displayed with finesse.

FIDJI

50/ 350/ 375/ 500/ 700/ 750/ 1000/
1750/ 3000ml

TECHNICAL SPECIFICATION

Height:	343mm
Diameter:	75.2mm
Weight:	940g
Closure:	Cork Mouth

Belonging to the extra-tall category of bottles, the Fidji line is a model both elegant and flowing. Its form is one of pure aesthetic beauty. More than capable of lending dynamism and distinction to your product - and adding real shelf presence.

FORTY SIX

700/750ml

TECHNICAL SPECIFICATION

Height:	272mm
Diameter:	87.6mm
Weight:	707g
Closure:	Cork Mouth/ GPI

Featuring a distinctive round punt and a rounded bulb, Forty Six offers a decisive, contemporary finish. It stands out where other bottles don't. The extra-white glass highlights the generous shoulder and helps show off its round base and conical shape. Easy to personalise, and fall in love with.

FUTURA

50/ 375/ 500/ 700/ 750/ 1000/ 1500/
1750/ 3000ml

TECHNICAL SPECIFICATION

Height:	338.6mm
Diameter:	70.5mm
Weight:	555g
Closure:	Cork Mouth

At over 1ft tall, the Futura points the way, not just leading in height, but with its statuesque yet slender lines. Unmistakable in its look, creating a feel that is all of its own.

GORDON

500ml

TECHNICAL SPECIFICATION

Height:	355mm
Diameter:	58.5mm
Weight:	700g
Closure:	Cork Mouth

Evokes refinement and fluidity through a demanding arrangement of design features: square section, straight body, slightly rounded panels with elegant debossing prints in each angle. The generous glass base enhances its impressive and alluring stature.

HIGHLANDS

700/750/1750ml

TECHNICAL SPECIFICATION

Height:	309.6mm
Diameter:	84mm
Weight:	840g
Closure:	Cork Mouth/ BVP

Highlands immediately evokes memories of the finest whisky. A very recognisable shape for whisky yet clearly destined for greatness with a mature single malt, or a fine blend.

JACK

700/750ml

TECHNICAL SPECIFICATION

Height:	250mm
Diameter:	97.5mm
Weight:	750g
Closure:	Cork Mouth

Sharing its name – and shape – with the famous bourbon, this proud bottle is an inspiring choice. With a rectangular body, broad shoulders and long neck, the design is as classic as they come.

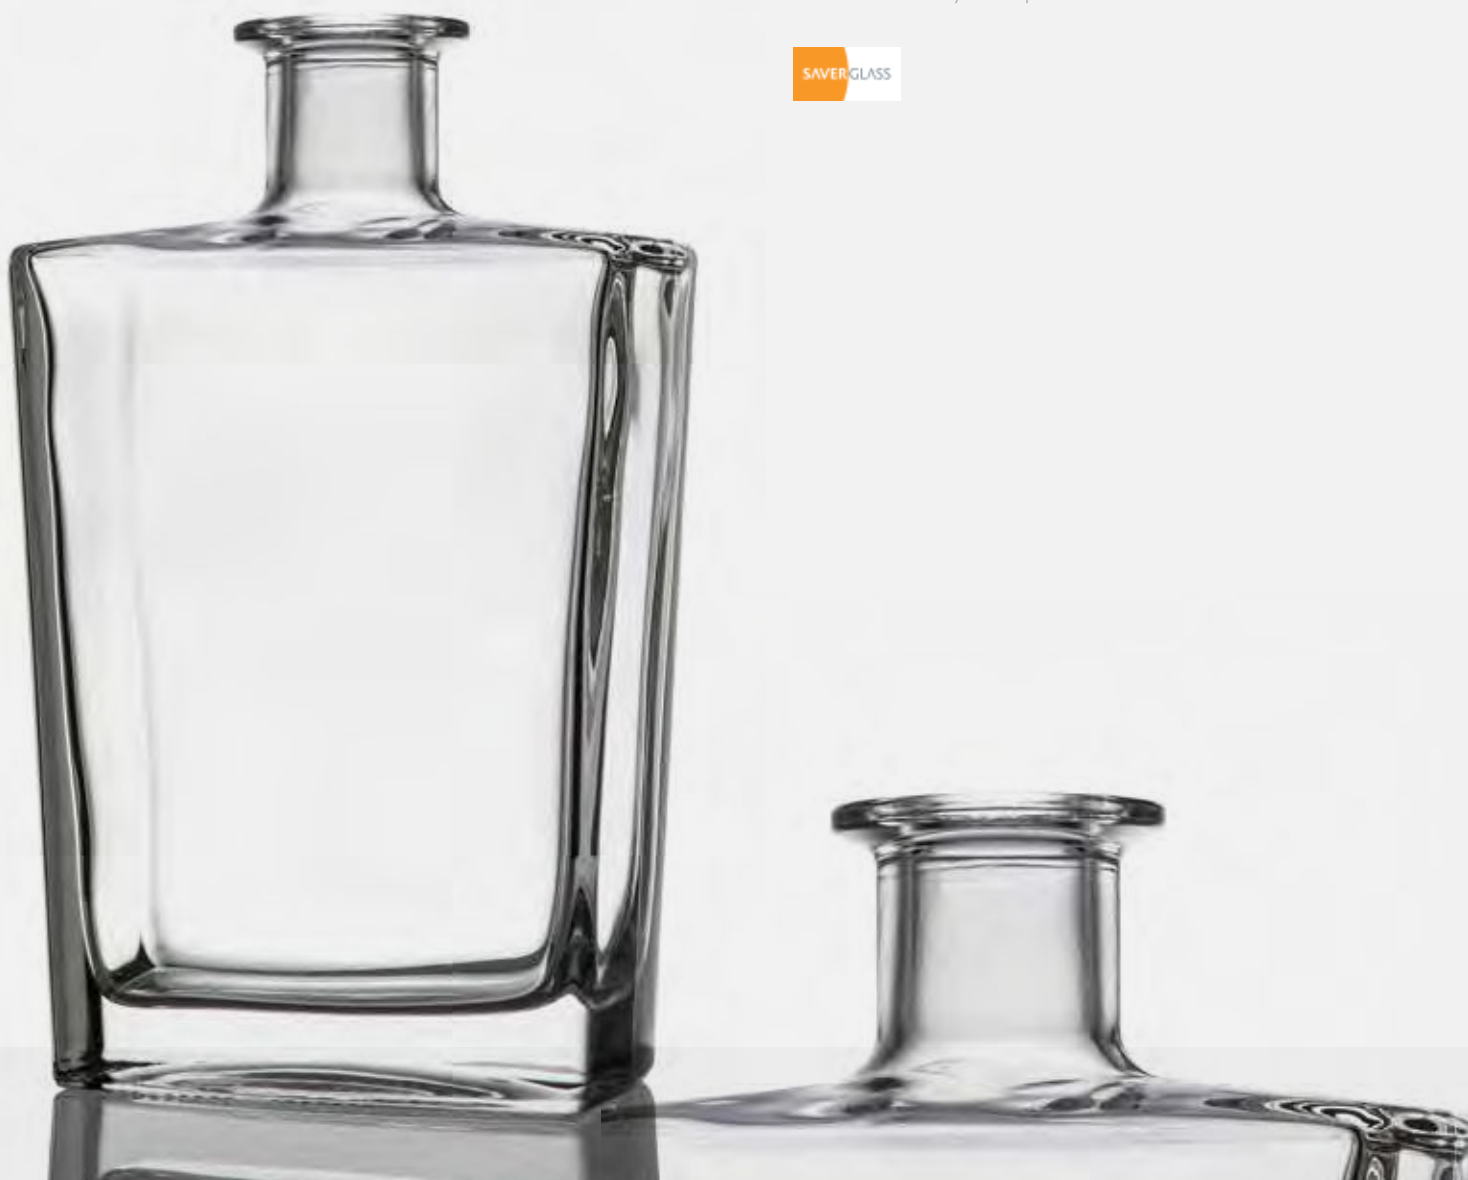

DECANTER JULES

700/750ml

TECHNICAL SPECIFICATION

Height:	209.2mm
Diameter:	113.6mm
Weight:	1000g
Closure:	Cork Mouth/ GPI

This premium spirits decanter does away with the conventional rounded shapes and curves. Instead, Jules makes a statement with taut lines, sharp edges and wide horizontal shoulders. Together with an impressive facing, this innovative design mixes masculine aesthetics with style and panache.

KENDO

50/ 350/ 375/ 500/ 700/ 750/ 1000/
1500/ 1750/ 3000ml

TECHNICAL SPECIFICATION

Height:	320mm
Diameter:	75.9mm
Weight:	849g
Closure:	Cork Mouth/ GPI

Pure and fluid, the ergonomics of this range looks to the East with a zen-like emphasis on the simple and beautiful. Kendo reflects a new creative trend for emotional 'Art de Vivre'. It delivers with certainty: minimal design, maximum style.

LITTLE PASHA

700/750/1000ml

TECHNICAL SPECIFICATION

Height: 208.7mm

Diameter: 101mm

Weight: 800g

Closure: Cork Mouth

Both solid and fluid, flexible and structured, the luxurious design of Little Pasha contrasts delightfully. This mischievous juxtaposition immediately captures the interest. The intensity of the shoulder, attractive curved body lines and glass foot only contribute further.

LITTLE SUMO

350/ 375/ 700/ 750ml

TECHNICAL SPECIFICATION

Height: 210.1mm

Diameter: 95.2mm

Weight: 900g

Closure: Cork Mouth/ GPI

Neither totally square nor totally round, but somewhere wonderfully in between, the distinctive character of Little Sumo appeals with instant delight. Ergonomic contours and a perfectly balanced glass weight make this irresistible to both the eye and the touch.

LONG ISLAND

50/ 350/ 375/ 500/ 700/ 750/ 1000ml

TECHNICAL SPECIFICATION

Height: 252.2mm

Diameter: 99.9mm

Weight: 840g

Closure: Cork Mouth

Long Island is packaging with a contemporary, refined style. A hip flask by definition, but so much more in reality, this is a geometric classic which counters its stark rectangular cross-section and sides with willowy, harmonious outlines. Appeals with an air of authority.

MOONEA

50/ 350/ 375/ 500/ 700/ 750/ 1000/
1500/ 1750ml

TECHNICAL SPECIFICATION

Height: 238.4mm

Diameter: 88.4mm

Weight: 750g

Closure: Cork Mouth/ GPI

The curvature of Moonea reflects the apothecary style, but with a modern twist. The rounded base doesn't end, creating a unique look.

NEOS

50/ 350/ 375/ 500/ 700/ 750/ 1000ml

TECHNICAL SPECIFICATION

Height:	213.5mm
Diameter:	87.2mm
Weight:	825g
Closure:	Cork Mouth

Perfectly balanced proportions, contemporary style and eye-catching geometrical lines. Neos is timeless; it works with both a functional and practical beauty. What more could you want from a bottle?

NESS

700/750ml

TECHNICAL SPECIFICATION

Height: 250mm

Diameter: 78.2mm

Weight: 785g

Closure: Cork Mouth/ GPI

The timeless elegance of this bottle is superbly captured by its height, horizontal shoulder and rounded section. Modern in style and attractive geometry. With Ness, you're guaranteed finesse.

DECANTER OLYMPE

700/750ml

TECHNICAL SPECIFICATION

Height:	222.8mm
Diameter:	125.5mm
Weight:	850g
Closure:	Cork Mouth

With gentle curves, an imposing body and its thick glass base, the rounded Olympe bottle combines power with refinement. Ergonomically designed to be easy to grip. Aesthetically designed to deliver on all fronts.

OSLO

50/ 200/ 350/ 375/ 500/ 700/ 750/
1000/ 1500/ 1750/ 4500ml

TECHNICAL SPECIFICATION

Height:	213mm
Diameter:	94mm
Weight:	789g
Closure:	Cork Mouth/ GPI

Oslo answers the brief of 'simplicity of shape and elegance of proportions' with a distinct bottle. One which wouldn't look out of place in the chemist's shop of a bygone era. Perfect for top-quality alcohol brands and in-line with current creative market trends.

OXFORD

500/700/750ml

TECHNICAL SPECIFICATION

Height:	214.4mm
Diameter:	138mm
Weight:	920g
Closure:	Cork Mouth

Oxford is a fine decanter. With a shape that joins to slender sides, the unusual profile is suited to any premium spirit.

OXYGEN

50/ 200/ 375/ 500/ 700/ 750/ 1000ml

TECHNICAL SPECIFICATION

Height:	258mm
Diameter:	84.2mm
Weight:	780g
Closure:	Cork Mouth/ GPI

A simple and refined bottle, characterised by a round cross section and a rounded shoulder. The compact, stable, ergonomic shape ensures that Oxygen conforms to filling lines and handling. The result places this range on another level.

PANAREA

700/750ml

TECHNICAL SPECIFICATION

Height:	263mm
Diameter:	84.5mm
Weight:	835g
Closure:	Cork Mouth

Familiar, yet different. A longer neck than most, sits on top of a perfectly proportioned body, with an added collar for distinction.

PHOENIX

700/750ml

TECHNICAL SPECIFICATION

Height:	194.5mm
Diameter:	121mm
Weight:	900g
Closure:	Cork Mouth/ GPI

This design plays on contrasts and symbolises ambivalence: both sophisticated and powerful, it is neither totally round nor totally square, neither totally a bottle nor totally a decanter. The singular shape and character contributes to position Phoenix as a contemporary and refined style packaging.

PORTOFINO

700/750ml

TECHNICAL SPECIFICATION

Height: 283.2mm

Diameter: 81mm

Weight: 835g

Closure: Cork Mouth/ GPI

Portofino's square base evolves into round shoulders, creating unusual lines through the glass. This is undoubtedly a classic.

POLO

250/350/500/700/750ml

TECHNICAL SPECIFICATION

Height:	229.5mm
Diameter:	86.5mm
Weight:	750g
Closure:	Cork Mouth

One of the most universal and multi-purpose bottles. Suitable for any spirit, Polo is ideal for those looking for a complete family of sizes, always from stock.

QBIC

350/ 375/ 500/ 700/ 750/ 1000ml

TECHNICAL SPECIFICATION

Height: 203.8mm

Diameter: 88mm

Weight: 970g

Closure: Cork Mouth/ GPI

Drawing its inspiration from building blocks, this playful and remarkable bottle features a cubic centre piece of intensity and strength. The design of Qbic is underlined by the perfect spread of the bottle and the purity of the glass.

SATURN

700/750ml

TECHNICAL SPECIFICATION

Height:	314mm
Diameter:	78.7mm
Weight:	700g
Closure:	Corkmouth/ GPI

Saturn is the most beautiful planet in our solar system; a special charm rises from its frozen ring. This trendy bottle is in its natural element with spirits such as white alcohols. The attractive Saturn design is also very suitable for fiery content, symbolising the duality of the universe and the union of opposites.

STREAM

700/750ml

TECHNICAL SPECIFICATION

Height:	257mm
Diameter:	83mm
Weight:	600g
Closure:	Cork Mouth

Like the name suggests, this tall bottle flows with an aesthetically-pleasing blend of masculine lines and feminine curves. It's the ideal combination of power and beauty. It's the perfect match for any spirit.

SULTANE

700/750ml

TECHNICAL SPECIFICATION

Height:	320mm
Diameter:	74.8mm
Weight:	600g
Closure:	Cork Mouth

Sultane symbolises hedonism and lifestyle. On first look, it is a pure and distinguished bottle sublimated by different dressing codes. Personalise it and make it yours through infinite ways of decoration and valorisations. This model can wake up your imagination through its strong presence and luxurious image - without excessive glass weight.

TAORMINA

700/750ml

TECHNICAL SPECIFICATION

Height: 262.5mm

Diameter: 90mm

Weight: 888g

Closure: Cork Mouth/ GPI

An impressive model with emboldened sides and strong shoulders. This bottle creates a statement without even trying. Its good hold reassures with confidence.

VIRGIN

500/700/750/1000ml

TECHNICAL SPECIFICATION

Height:	315mm
Diameter:	48mm
Weight:	600g
Closure:	Cork Mouth/ ROPP

Here we marry sustainable development with economic design. The end result is Virgin's simple and refined line, round cross section and glass weight of just 600g. Comes with a reputation as a best-seller in the world of spirits.

WALLACE

700ml

TECHNICAL SPECIFICATION

Height:	320mm
Diameter:	77.3mm
Weight:	900g
Closure:	Cork Mouth

From the very first glance the Wallace bottle – just like its namesake, the famous Scottish Braveheart – expresses a highly distinctive personality. The individuality of this model lies in the perfect harmony of its outlines: the attractive curved lines of the body combined with the soft shoulders. The result is in line with the best creative trends for all premium spirits.

ZADIG

500/700/750/1000ml

TECHNICAL SPECIFICATION

Height: 210.9mm

Diameter: 88.3mm

Weight: 555g

Closure: Cork Mouth/ GPI

An attractive solution to the challenge of 'responsible design', Zadig revisits the great classics but adds a contemporary touch. Drawing inspiration from medicine bottles of yesteryear, this design is exciting and fresh. Available with a variety of cork or screw-type closures.

CLOSURES

CLOSURES

Our range of spirit closures offer something unique. Not just in terms of style but helping encentuate your brands personality. Now you can not only make your brand stand out from its competitors, but also make it stand out full-stop.

At Croxsons, we offer bar-top corks, both simple and complex; PVC, poly laminate and tin capsules; and GPI & ROPP closures. Whilst our range of corks are a great way to showcase your spirit's individuality, we can also provide a range of other options including varnished wood, printing, metal embossed, synthetic shapes, highly complex finishes and polished metal.

When it comes to crowning your spirit, the choice is yours. We can finish your bottle in all manner of ways and help you close your project in style.
